

**WATER 2.0**

SECURING LINCOLN'S  
SECOND SOURCE

# Public Information Open House

The public is invited to attend a public information open house to learn about Water 2.0: Securing Lincoln's Second Source, a project to study and develop options for the future of Lincoln's water. The community will learn about the City's efforts to ensure Lincoln's long-term growth and prosperity through its Water 2.0, Securing Lincoln's Second Source effort.

Representatives of the City, Advisory Council and consultant team will be on hand to share information and answer questions.

Stop by the open house anytime during the open house hours (no formal presentation is planned).
